Dirty Work

alessandro · Monday, June 3rd, 2013

Living high, sitting in the sun
Sit on your ass till your work is done
You lazy mother, your hands are clean

You pull the strings and you got the clout
There's something filthy living in your mouth
Pushing your buttons, you get away free

You let somebody do the dirty work
Find some loser, find some jerk
Find some dumb ass do it all for free

Let somebody do the dirty work
Find some loser, find some jerk
Find some greaseball, yeah

It's beginning to make me angry
I'm beginning to hate it
You're a user, you're a user
I'm gonna shake you

Let somebody do the dirty work
I never see no grease on you baby
Never roll your sleeves up, do you, never baby

Let somebody do the dirty work
Find some fucker, find some jerk
Ah, do it all for free

While you're out having all the fun
They'll take the blame when the trouble comes
Let somebody do it, do it

It's beginning to make me angry
I'm beginning to hate you
You're a user, you're a user, I hate you

When you push you make me crazy
When you push you make me crazy
When you push you make me crazy

Let somebody (*do the dirty work*)
Let somebody (*do the dirty work*)

Let somebody do it all for free
Let somebody do the dirty work
Let somebody do it all for free
Let somebody do the dirty work
Let somebody do the dirty work
Pushing it harder, pushing it harder
