Fight

alessandro · Monday, June 3rd, 2013

Yeah man

Gonna pulp you to a mess of bruises
'Cause that's what you're looking for
There's a hole where your nose used to be
Gonna kick you out of my door

Gotta get into a fight
Can't get out of it
Gotta get into a fight

Gonna blow you to a million pieces
Blow you sky high, I don't care
Splatter matter on the bloody ceiling
Blow the building right into the air

Gotta get into a fight
Can't get out of it
Gotta get into a fight
Gonna put the boot right in
Gotta get into a fight
Yeah watch me now

What I want is power, more power
What I need is an innocent life
Wanna do it in the broad daylight
I'm the truck, I'm the suicide

Gotta get into a fight
Can't get out of it
Wanna get into a fight
Gonna get away with it
Gotta get into a fight
Watch me, watch me now

Yeah, gotta get into a fight

Wanna caught the bullet
Wanna get into a fight
Gonna get away with it

It's all for its greater glory
It's all for the Saturday night
There's a hole where your face used to be
I got you in my telescope sight

Gotta get into a fight
Gonna shoot the bullet
Can't get out of it
Wanna get into a fight
Gonna get away with it

Woah, woah now
