

I Can Hear Music

Words and music by Phil Spector, Ellie Greenwich and Jeff Barry

This is the way I always dreamed it would be
The way that it is, o-oh, when you are holding me
I never had a love of my own
Maybe that's why when we're all alone
I can hear music
I can hear music
Sounds of the city baby seem to disappear
Oh well I can hear music
Sweet sweet music
When ever you touch me baby
Whenever you're near
Loving you it keeps me satisfied
And I can't explain, oh no, the way I'm feeling inside
You look at me we kiss and then
I close my eyes and here it comes again
I can hear music
I can hear music
Sounds of the city baby seem to disappear
Oh well I can hear music
Sweet sweet music
When ever you touch me baby
Whenever you're near
I can hear music
Sweet sweet music
When ever you touch me baby
Whenever you're near
I can hear music
Sweet sweet music
When ever you touch me baby
Whenever you're near
