Keys to your love

I've got the keys to your love

No matter where I go baby, no matter what I do

I spend my whole life honey, just thinking of you

Yeah it don't seem to matter, who's right and who's wrong

I want to tell you how I feel now, in the words of this song

What now baby, put a spell on you

There ain't nothing that you're going to do

I've got the keys to your love

I've got the secret of your heart

No matter where you I go baby

We're not too far apart

I've got the keys to your love

I've got the secret of your heart

No matter where you I go honey

We're not too far apart

Now you try to lock me out, I can always get in

I've got every permutation, every code and every pin

I'm so crazy about you, yeah that's the word on the street

Yeah I bet you heard all about it from the people you meet

You know baby, I put a spell on you

Can't take it off now, there ain't nothing you can do

I've got the keys to your love

I play the keys of your heart

It sounds so sweet baby

Won't stop once it starts

I've got the keys to your love

I've got the secret of your heart

---

No matter where you go baby  
We're not too far apart

You're all that I've got  
Without you baby, my life's kind of shot  
I look for your face  
'Cause no one else could fill this space

Watch out baby, I put a spell on you  
You can't resist it, I just hoodoo you

I've got the keys to your love  
I've got the secret of your heart  
No matter where I go baby  
We're not too far apart  
No matter where I go baby  
No matter where I go sugar

I've got the keys to your love, baby  
Keys to your love  
Keys to your love  
Keys to your love  
Keys to your love  
Keys to your love
