## Losing My Touch

alessandro · Monday, June 3rd, 2013

Ain't it funny how things happen  
Just as we think we've got it all straight  
Everything seems to be moving forward  
But instead we just sit around and wait

Seems things are in a lockdown  
Nervous looks all around  
Everyone is speaking in whispers  
No one wants to make a sound

I'm losing my touch  
Losing my touch  
Losing my touch, baby, way too much  
Baby, get me out of here  
It should be clear

Keep an eye out on your front door, baby  
I'll be slipping in 'round the back  
I just need a little, a little cab fare  
And then I'll let you hit the sack

'Cause I'm losing my touch  
Losing my touch  
Yes, I'm losing my touch, way too much  
Baby, get me out of here  
It should be clear, yes

I ain't gonna keep it long, baby  
But just long, long enough  
I've gotta pick up my passports  
And I've gotta get my stuff

'Cause I'm losing my touch  
Just losing my touch, baby, baby, baby  
I'm losing my touch, way, way too much  
Baby, get me out of here

---

Well it must be clear

Losing my touch

Yes, I'm losing my touch

Yes, I'm losing my touch, way too much

Baby, get me out of here
