## Mother's Little Helper

What a drag it is getting old

“Kids are different today,” I hear every mother say  
Mother needs something today to calm her down  
And though she's not really ill, there's a little yellow pill  
She goes running for the shelter of her mother's little helper  
And it helps her on her way, gets her through her busy day

“Things are different today,” I hear every mother say  
Cooking fresh food for her husband's just a drag  
So she buys an instant cake, and she burns a frozen steak  
And goes running for the shelter of her mother's little helper  
And two help her on her way, get her through her busy day

Doctor, please, some more of these  
Outside the door, she took four more  
What a drag it is getting old

“Men just aren't the same today,” I hear every mother say  
They just don't appreciate that you get tired  
They're so hard to satisfy, you can tranquilize your mind  
So go running for the shelter of a mother's little helper  
And four help you through the night, help to minimize your plight

Doctor, please, some more of these  
Outside the door, she took four more  
What a drag it is getting old

“Life's just much too hard today,” I hear every mother say  
The pursuit of happiness just seems a bore  
And if you take more of those, you will get an overdose  
No more running for the shelter of a mother's little helper  
They just helped you on your way, through your busy dying day

Hey
